Careerpilot

Bricklayers build houses, repair walls/chimneys and refurbish decorative stonework. You can make up to £35,000 per year as a bricklayer, sometimes more if you run your own business and it is successful!

The hours are quite long (an average of 44 per week) but it is a great job for people who don't mind working outside, like to work with the hands/build things and enjoy working in different places all the time.

To be a bricklayer, you can do an apprenticeship or college course and will also need a CSCS card.

WHERE TO GET SUPPORT

Jess is our Work Coach, she is at Green Labyrinth every Tuesday and her job is to help you find work, decide what career you'd like to do when you're older and make sure you are developing the skills you need for the workplace. You can get support from Jess by, emailing her on jcook@greenlabyrinth.uk, booking an appointment with Jess by asking your tutor or attending the weekly Careers Drop in which happens on a Tuesday from 12pm-1pm.

These events are on hold due to Covid but will be taking place as soon as we are back at college!
