Inner Flame are running a Summer Achieve Programme during August. This programme has been written not only to provide Young People with a formal qualification but an opportunity to develop skills and we will also provide them with some guidance and support around their next steps.

It is a 4-week part time programme during that will give them a Level 1 Award in Personal Development & Employability skills.

We will be covering a core unit in Interpersonal Management Skills with a further 3 options to choose 2 from that are Managing Money, Participating in Exercise & Digital Skills.

It will also be a great lead into the September Prince's Trust TEAM Programme for those that wish to join. The Summer Programme will be delivered Face to Face & Online and will start on Wednesday 4th August 2021. To take part, complete his [referral form](#).

The Platform Project in Swindon are recruiting for Summer Internships to help them on their various youth led projects.

The summer programme is 6-8 weeks long. This is a developmental, creative, hands on, project-based Internship providing experience across a range of areas that will support and develop skills which will be transferable and add huge value in your next chosen steps.

98% of all our interns move on into paid employment, self employment and or further training/education.
